This cause came before the Court pursuant to the Unopposed Motion For Preliminary Approval Of Class Action Settlement, Certifying Class For Purposes Of Settlement, Directing Notice To The Class, And Scheduling Fairness Hearing. Plaintiffs Tracy Adams, Carrie Albers, Nicole Barilla, Walter Best, Jr., Lashonda Butler, David Dugan, Michael Ellison,

Tristan Evans, Anita Fisher, Judith Fordham, Dani Gannon, Robert and Sandra Heinitz, Torrol Holt, Kenneth Koepplinger, Lois Kerr, Pamela Lavenhouse, Bridget Leak, Charles McDonald, Darrell Peebles, Susan Savage, Bernice Scott, Lukhwinder and Rattandeep Sidhu, Rhoda Smith, Michael Spehr, William Vaughan, Kay Wenger, and Patricia Williams (collectively, “Plaintiffs”), and Seterus, Inc. (“Seterus”) (collectively, “the Parties”) have agreed to a Settlement Agreement (“the Settlement” or “Settlement Agreement”) resolving this action;

WHEREAS, the Settlement Agreement sets forth the terms and conditions of a proposed class action settlement and Plaintiffs have moved, pursuant to Fed. R. Civ. P. 23(e) and 23(g), for an Order seeking preliminary approval of a class action settlement, certifying the settlement class, appointing settlement class counsel and settlement class representatives, approving class notice, and scheduling a fairness hearing (“Motion”), and the Court held a hearing on the motion on January 6, 2021;

IT IS ORDERED that the Motion is GRANTED, subject to the following terms and conditions:

Class Certification for Settlement Purposes Only

1. The proposed Settlement Agreement submitted with the Motion is preliminarily approved, pending the notice and formal approval process set forth herein.

Preliminary Approval

6. The Settlement Agreement is preliminarily approved as describing a settlement that is within the range of settlements that the Court would find to be fair,

reasonable and adequate.

7. The Court's preliminary approval is subject to the right of any Class Member to challenge the Settlement and to show cause, if any exists, why a Final Order and Judgment dismissing this Action based on the Settlement should not be entered, after due and adequate notice has been provided to the Class and a fairness hearing has been held as otherwise ordered herein.

8. The Court finds that the Settlement Agreement resulted from arm's-length negotiations, extensive investigation, and motions practice, and that the proposed settlement is sufficiently fair and reasonable so as to warrant notice thereof to the Classes, and to warrant a hearing concerning the settlement and the terms set forth in the Settlement Agreement.

Fairness Hearing

9. A hearing (the "Fairness Hearing") shall be held before this Court on April 9, 2021 at 10:00 am. Due to the COVID pandemic, the Fairness hearing may be held via remote video conference. P. 23(a) and Fed. R. Civ. P. 23(b)(3); (b) the settlement proposal described in the Settlement Agreement is fair, reasonable, and adequate; (c) orders granting final approval of the Settlement, entering final judgment and dismissing Plaintiffs' Consolidated Complaint, as provided in the Settlement, should be entered; and (d) the applications of Class Counsel for the payment of attorneys' fees and expenses and Plaintiffs' incentive awards should be approved.

10. At the Fairness Hearing, the Court will consider any properly presented objections by the Settlement Class members and the parties' responses to any such objections.

Pre-Hearing Notice

11. The Court finds that the manner and content of the Settlement Notice as set forth in the Settlement Agreement and in the Exhibits to the Settlement Agreement will provide the best notice practicable to the Classes under the circumstances. The Settlement Notice will remind the class members to provide the Settlement Administrator with any updated addresses.

12. The Notice Period must commence within fourteen (14) calendar days after the entry of the Preliminary Approval Order and should be substantially complete no later than forty-five (45) days after the entry of the Preliminary Approval Order.

26. By filing an objection, objectors and their counsel submit to the jurisdiction

of the Court for all purposes relating to this matter, including but not limited to subpoenas and discovery.

27. Objectors must make themselves available for deposition by Class Counsel and Defense Counsel between the time the objection is filed and a date no later than five (5) days before the Final Fairness Hearing.

28. Any objector or objector's attorney who intends to make an appearance at the Final Fairness Hearing must deliver to Class Counsel and Defense Counsel and have file-marked by the Court, no later than thirty days before the Final Fairness Hearing, a Notice of Intent to Appear. The Notice of Intent to Appear must: (1) state how much time the Settlement Class Member anticipates needing to present the objection; (2) identify, by name, address, and telephone number, all witnesses the Settlement Class Member proposes to have testify; (3) summarize in detail the anticipated testimony of all such witnesses; (4) identify all exhibits the Settlement Class Member intends to offer in support of the objection; and (5) attach complete copies of all such exhibits.

Effect of Final Approval

33. If the settlement proposed by the Parties is finally approved, the Court shall enter a separate order approving the settlement, entering judgment and dismissing, with prejudice, the Class Action Complaint.

34. Such order and judgment shall be fully binding with respect to all Class Members and shall release each and every Defendant and the Released Parties, as defined in the Settlement Agreement, from any and all claims or causes of action that are based on, arise from or are related to, directly or indirectly, the Released Claims, as defined in the Settlement Agreement.

35. If final approval is not granted, the Settlement is null and void, and the Parties will revert to their positions as of November 3, 2020 without prejudice to their rights, claims, or defenses.
